BOOK SYNOPSIS

Master every essential pain management injection technique used today with Atlas of Pain Management Injection Techniques, 3rd Edition. With expert tips from leading authority Steven D. Waldman, MD, JD and abundant step-by-step color illustrations, you'll see how to evaluate the causes of pain, identify the most promising injection approach, locate the injection site with precision, and deliver the relief your patients crave. From the head and neck to the foot and ankle - and everywhere between - this best-selling pain management reference equips you to perform a complete range of clinical injection techniques with greater confidence! Consult this title on your favorite e-reader with intuitive search tools and adjustable font sizes. Elsevier eBooks provide instant portable access to your entire library, no matter what device you're using or where you're located. Perform each technique like an expert and avoid complications with clinical pearls in each chapter. Diagnose pain syndromes effectively with updated coverage encompassing the latest identification guidelines and definitions. See exactly how to proceed and fully understand the nuances of each technique thanks to hundreds of illustrations - many in full color, many new to this edition - demonstrating relevant anatomy, insertion sites, and more.
