## BOOK SYNOPSIS

Three men. Three paths to recovery. One unbreakable bond. And one very hot club. ...and so begins the Rescue Me Saga in the Masters at Arms introduction. In Nobody's Angel, private BDSM club co-owner Marc d'Alessio loves being in business with the men he served beside in the hell that was Iraq. Working at their club has its perks, but Marc keeps women at bay. He's seen his fair share of danger, but women have proven to be hazardous to his heart. But when he saves Angelina Giardano from a disastrous first encounter at his club, he can't shake the attraction and desire he feels for her—even as she turns his lonely and safe world upside down. When Angelina's past threatens to destroy her, Marc answers the silent call to arms—but can he be the angel she needs? **READY TO BE RESCUED?** In the ongoing Rescue Me Saga, you will be swept into a world of honor, heroism, and romance. The books in this series are not stand-alone stories and should be read in numerical order, beginning with the Masters at Arms introduction in this combined volume. You will connect with each hero and heroine and be able to see them return in book after book as the saga continues. Happily Ever After is only the beginning and other people will be introduced as they choose to join this growing family.
