## BOOK SYNOPSIS

Are you up to date on today's wine scene? *Wine For Dummies*, 6th Edition reveals what's in, what's out, and what's new in wine. With new and revised content, this edition of the popular *Wine For Dummies* text takes you on a tour of emerging and old world wine regions, showcasing the varieties and styles you need to know to stay up to date on today's wine scene. In addition to highlighting wines themselves, this approachable resource offers insight into wine shops, supermarket wine selections, wine and food pairings, vintage charts, and price guidelines. For the aspiring wine aficionado, the text offers expert advice on buying, collecting, and rating wines—and can direct you in updating your personal collection through its thorough guidance. Wine has, for generations, been an important part of culture and society around the world. Over time, trends in wine change—as do the ways in which it is created, celebrated, and enjoyed. Exploring today's wine trends is a great way to learn more about and appreciate different cultures—and let's be honest: educational value aside, wine tastes amazing. Understand different grape varieties and varying wine styles. Read wine lists and labels, and understand how to use them to make the right purchases. Pair your wine with food in a way that will bring out the best flavors in all aspects of your meal. Explore how to best select, store, open, pour, and enjoy your wine. *Wine For Dummies*, 6th Edition provides you with the information you need to confidently navigate today's wine scene!
